SING YOUR PRAISE TO THE LORD!!!

Psalm 150

Praise ye the Lord, praise God in his Sanctuary:

Praise Him in the firmament of His power.

Praise Him for His mighty acts:

Praise Him according to His excellent greatness.

Praise Him with the sound of the trumpet:

Praise Him with the psaltry and harp.

Praise Him with the timbrel and dance:

Praise Him with the stringed instruments and organs.

Praise Him upon the loud cymbals:

Praise Him upon the high sounding cymbals.

Let everything that hath breath praise the Lord.

Praise ye the Lord!!

ALL I NEEDED TO SAY

Sad goodbye
Never quite got said
Now the time is gone
We're movin' on
Even though it hurts so bad
If I could I'd turn back the days
And I'd love again
To be your friend
In a hundred different ways
But we can't turn back the time
The days

So if I never said
All I needed to say
I'll say it now
You know I loved you once
I love you stronger today
Please love find me a way
Words I still need to say
But I don't know how

Can't stand still
Still I can't move on
Lord I need your strength
Need you in me
Cause a part of me is gone
In time I will know
What I've yet to see
That through all the pain
You hurt the same
And your standing here with me
And more than anything it's you I need

So if I never said
AU I needed to say
I'U say it now
You know I loved you once
I love you stronger today
Please love find me a way
Words I still need to say
Please show me how

Please love find me a way Please show me how

Escape To The Mountains

On March 2, 1985 at 10:15 p.m., the N.C. bus left school and started an all-night trip to Camp Id-Ra-Ha-Je in Colorado. There were a few faithful mountain lovers who stayed awake all night to catch the first glimpse of the mountains. Sunday morning,

after getting unpacked, we had a worship service with Mr. Neely, our speaker for the week.

Monday and Tuesday the class went to Breckenridge to ski. Wednesday was spent in Denver shopping and eating at Casa Bonita.

Each evening Mr. Neely conducted a service. He built his talks on the theme of committing our lives to God and really working for Him. We also enjoyed times of games and songs. Thursday, March 7, 23 left for home. Needless to say, it was a very quiet ride!!

QUIJET LOVE

Soft as the whisper of a morning breeze,

And warm like the sunlight shining through summer trees,

Oh Lord, flow through me. Come plant your seed.

Spirit, move within me. Give me what I need.

Quiet love. Quiet love.

The kind of love that needs no words

To show that it is there.

Quiet love. Quiet love.

The love that needs no reason

To show it cares.

Quiet love,

Sweet as the song a mother sings to her child.

And fresh like the mountain flowers growing wild.

Oh Lord, flow through me.

Come plant your seed.

Spirit, move within me. Give me what I need.

Quiet love. Quiet love.

The kind of love that reaches out

When no one else is there.

Quiet love. Quiet love.

The love that listens to the cries

That no one hears.

Quiet love.

STRAJGHT AHEAD

Day by day, dream by dream

I fight to find the way to go.

Every day opens a different door

Every dream shadows the one before

But slowly I can see

the way You've made for me.

Straight ahead I can see your light.

Straight ahead through the dark,

Straight ahead there's no left or right,

Straight ahead to your heart.

Carry on through the night.

When the road is hard to find

Lying lights tell me to turn around,

Lying thoughts tell me I'm lost, not found

But feeling I can see

You're waiting there for me.

The Junior Class is known as the most fun class in the school. This year we have learned a lot about cooperation and tolerance in class meetings. Taking care of the candy store after school, keeping pop machines working, setting up to sell popcorn and candy at games, and cleaning up afterwards has taught us a new sense of responsibility. We had a good year, and we are looking forward to a great senior year.

The Sophomore Class grew in many ways this year. The two main areas of growth were individual maturity and class size. We are now the largest class and dominate in several areas. We are a unique class and have a variety of talents. We have a number of Sophomores on the varsity volleyball and football teams. Also a number of us are in choir, band, girls glee, and booster club. Our class this year has taken on a lot more responsibility. The neatest thing we have learned is how to get along with all of our classmates. It shows in our caring for each other and in our unity.

This year the Freshman class was a very unique class. Students came from all across Nebraska to begin their first year of High School at N.C. There were many adjustments to make. Many had not been away from home for a very long period of time so therefore dorm life was a big adjustment. The students in the class have enjoyed getting to know one another and have learned from each others mistakes. The class is a very open and friendly class that makes them well liked by all.

Exciting class parties and participation in athletics highlighted the year for the 24 students of the 7th and 8th grades. It was a year of struggles and accomplishments as we adjusted to new schedules and demands. This year our P.E. classes were assisted by seniors Zane Dexter, Judy Elsberry, Deb Larsen, and Denise Dunn. We have enjoyed this year and are looking forward to next.

WITHOUT HIM WE CAN DO NOTHING

How can, how can
We who are dead to sin
Live any longer therein?
We've been, we have been
Called and loved and forgiven.
Our old life is forgotten.
Do you remember
What He's called you out of?
Do you remember
Where you were?

Let us not take advantage

Of His love.

Lest we forget

That we have been forgiven.

Without Him we can do nothing.

I know, I know

Where I was when He found me.

So much confusion around me.

He's been, He has been

All that we would let Him.

Without Him we can do nothing.

ACTIVITIES

4 Make It To State

From the All-School Speech Contest, the following team was chosen to represent N.C. at the District Contest. Humorous Prose, Brant Taylor, Mark McHargue; Serious Prose, Shari Barnell, Susan Kremer; Poetry, Deb Larsen, Jane Schubert; Persuasive, Belinda Berck, Anita Adams; Extemporaneous, Jennifer Dods, Rance Dexter; Informative, Scott Masters, Matt Graf; Entertainment, Rod Swanson, Wes Hitchcock; Drama, Shari Barnell, Laurie Faeh, Deb Larsen, Amy Snuffer; Duet Acting, Anita Adams, Jane Schubert. Our three coaches, Mrs. Wilgocki, Mrs. Hamilton, and Mrs. Swanson, were a tremendous help to us.

Four students did make it to State Contest. Shari in Serious Prose, Deb in Poetry, Belinda in Persuasive, and Wes in Entertainment. Though no one made it to the final round, all four achieved Superior and Excellent ratings.

Take Time With God

Taking time with God is what chapels are all about. Pastor Elsberry shared during the Fall Spiritual Emphasis Meetings, and Jim Anderson spoke to us during the winter meetings. These were both very concentrated times spent with God and in God's Word.

Mr. Musgrave and Mr. Pearson spoke to us regularly throughout the year. We really appreciated their discernment in seeing our needs and putting challenges before the student body.

Susanne will do anything to avoid getting a check, during study hall, when she is in Charity's room.

We did not always goof around though. We had some serious times too. We read the Bible together and shared prayer requests. Once a week we met with another girl for a time together called Big and Little Sis. We used this time to pray together and share our problems with one another, as well as to form friendships.

The Ritta's, our dorm parents, added a lot to the dorm and made it feel like home.

"Great is the Lord, He is holy and just, by His power we trust in His love." That song has been a special favorite with choir members this year. It has been a challenge to sing meaningfully as we have travelled throughout Nebraska ministering in churches.

Under the direction of Mr. H. K. Sawyer, the choir practiced diligently three times weekly in preparation for clinics and contests, as well as tours. One of the highlights of the year was the Grace Music Festival which allowed us to join with about 200 young people from Christian High Schools in praising God. We have appreciated the opportunities we had to minister, as well as to grow individually.

Attention during practices yields good concerts.

We played at pep rallies and at home games with Mr. Sawyer directing us. Mark and Shari, as band officers, did a good job of directing us and providing spiritual leadership.

NEVER SAY DIE

You're tired of running in the race.

Straying to and fro falling on your face.

So you want to throw your towel in.

But brother before you do you better think again.

Never say die, You've come too far to turn back now.

Give it one more try and He'll help you through.

Never say die. We are weak but He is strong and

Strength He will supply if you ask Him to.

You went wrong you remember when.

Instead of pressing towards the mark, you missed it once again.

You think that You're the only one

Who's ever come your way and done what you have done.

Never say die, You've come too far to turn back now, Give it one more try and He'll help you through.

Finishing with a record of 13 wins and 5 losses, the 1984 Volleyball Team experienced a great year. In our first year in the Goldenrod Conference, we

came out of the conference tournament with a respectable third place trophy. Deb Larsen was selected to be a member of the all-tourney team, as well as the year-end All-Conference Team. Other members of the All-Conference Teams included Anita Adams, second team, and Robyn Jividen and Shari Barnell, honorable mention.

At one point in the season we experienced a slump, but we recovered from that low with the leadership of Coaches Sue Wilgocki and Ed Ritta, the experience of the seniors, and the intensity of the younger players. In post-season play, we fought to earn two victories in the sub-districts. From there we went on to upset Stromsburg in the district play-off. That win allowed us to travel to Lincoln to participate in the State Tournament for the first time in the history of the school.

At State we beat Wynot easily in the first game, but we were eliminated in that match. Even though we advanced no further, we will never forget the opportunity we had to participate in the State Tournament and stay in the Hilton. We praise God for our success and the unity and skill He gave us.

2nd Year Straight

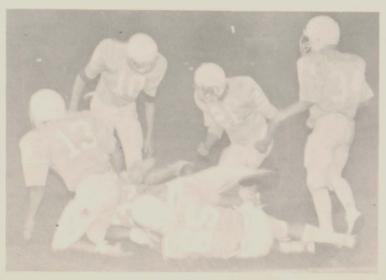

Football this year speaks for itself. We lost a lot of size from last year, but the determination was more than doubled as the season progressed. Our natural talent was better than ever, with a well-experienced backfield. Both the offense and the defense worked exceptionally well together.

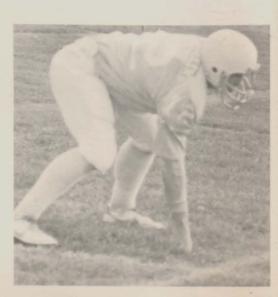

Our team was young, but very adaptable to over forty new plays. Together Joél Ruybalid, quarterback, and Zane Dexter and Rod Rowse, running backs, rushed 2646 total yards. Our average scoring was 45 points per game to our opponents 15 points.

Because there were more guys played than ever before, the year was exceptionally profitable for the younger players as well as exciting for the fans. It was a great way to start the school year with win after win. Next year should hold no less excitement, as many of the starters return.

Girls Just Bud ...

Kerry Jividen, Asst. Coach Sue Wilgocki, Stephanie Nelson, Candace Otott, Robyn Jividen, Lisa Weeks, Korlynn Klein, Kay Schubert, Susanne Ackles, Head Coach Larry Schreiber.

Girls basketball history at N.C. began this year. Beginning with only a J.V. team, the girls played two games against Hordville. Even though they lost, they learned lots about the basics of basketball. The team, consisting of Freshmen through Seniors, appreciated very much the time Mr. Schreiber gave during P.E. classes to build skills. We had a lot of fun playing together, and the underclassmen have hopes of more extensive basketball programs in the future.

Practice with intensity and you will compete with intensity. This was proven again and again -- as demonstrated by Deb, Korlynn, and Lei. Robyn was an essential part of the team as manager and encourager.

Let's Hear It For The Eagles!

The cheerleaders this year were a small group, but they could make a lot of noise. Many football games, the girls were so cold they wondered if it was worth it. But when the Eagles pulled out another win, there was no question that it was. As head cheerleader, Jane inspired the team with her leadership. The girls appreciated Miss Braun's leadership and suggestions also. The squad grew closer to the Lord and closer to one another throughout the year.
